# The Difference Between Open and Closed A.A. Meetings

The purpose of all A.A. group meetings, as the Preamble states, is for A.A. members to "share their experience, strength and hope with each other that they may solve their common problem and help others to recover from alcoholism." Toward this end, A.A. groups have both open and closed meetings.

Whether open or closed, A.A. group meetings are conducted by A.A. members who determine the Open/Closed Meeting format of their meetings.

# **Closed meetings** are for A.A.

members only, or for those who have a drinking problem and "have a desire to stop drinking."

# **Open meetings** are available to

anyone interested in Alcoholics Anonymous' program of recovery from alcoholism. Nonalcoholics may attend open meetings as observers.

At both types of meetings, the A.A. chairperson may request that participants confine their discussion to matters pertaining to recovery from alcohol-

## **AA Preamble**

Alcoholics Anonymous is a fellowship of men and women who share their experience, strength and hope with each other that they may solve their common problem and help others to recover from alcoholism.

The only requirement for membership is a desire to stop drinking.

There are no dues or fees for AA membership, we are selfsupporting through our own contributions.

AA is not allied with any sect, denomination, politics, organizations or institutions; does not wish to engage in any controversy; neither endorses nor opposes any causes.

Our primary purpose is to stay sober and help other alcoholics to achieve sobriety

THE SERENITY PRAYER

God grant me the serenity
to accept the things I cannot change,
courage to change the things I can,
and wisdom to know the difference.

# Where & When

AA Meeting Schedule St. Lucie and Okeechobee Counties, FL

January 2021

# WE NEED YOUR HELP!

In the face of the current pandemic, most of our groups either stopped meeting or moved to an online format. "BASKETS" were not passed, of course, and many groups tapped your prudent reserves for any expenses such as subscriptions to online meeting services.

Many groups have resumed some form of regular meetings now. We're now asking that our local Fellowship step up and resume your usual support: Come visit our Office to buy books and other Literature, chips and Anniversary Coins and Cards.

But, importantly, please resume your usual Basket contributions to Intergroup. Our St. Lucie County Intergroup Office also has re-opened with a limited schedule, staffed as usual by our awesome volunteers. But even when the office was temporarily closed, expenses continued to be paid: Office Rental, Telephone service for our 24-Hour-Hotline, Internet service to provide out Website, Office Equipment rental.

The Intergroup Prudent Reserve fund was tapped to pay those expenses. That fund now is nearing depletion.

Please help keep Intergroup Resources and Services available by mailing or bringing contribution checks to our office or coming to make a contribution via debit or credit cards. (We're unable to accept cash for the duration of the pandemic event.)

And for that:
I am responsible."
