

Welcome to the Home Page of the St. Lucie Intergroup Association, the home of your local Bookstore for AA Conference Approved Books, Pamphlets and Videos, plus colorful coins and congratulation cards to commemorate member's progress through Sobriety.

Our office is where we prepare and publish this Website and the monthly Where & When meeting schedule, a place for local AA Service Committees to meet if needed and the central point of contact for our 24-Hour Emergency Hotline (772-873-9299.)

Our Office Manager Joan H. wants you to know: "The office is doing well, due to the Groups' contributions to the office—Without them, we would not exist.

"Also, my telephone people and the volunteers for the office: We are so Blessed to have them all.

"We have re-started our Intergroup Representatives Meetings, which meet at 7 PM on the third Thursday each month. All Intergroup Representatives and anyone else interested are welcome to attend. Our Steering Committee will be participating each month.

"Thank you so much for allowing all of us to Serve. God Bless!

"In Love and Service, Joan H."
